It is run by the devoted and dedicated "Virudhunagar Hindu Nadar Mahamai Tharappu", with an indomitable will to soar high to touch the zenith of glory in education. It has grown as a premier Autonomous Institution.

ABOUT THE DEPARTMENT

The Department of English (SF) was instituted in 2017 with a prophetic vision of imparting knowledge in the field of English Language and Literature. It has been a boon to the students of rural background from the nearby villages. Currently UG degree programme (BA) is offered with all the required skill-based curriculum. The department is growing swiftly with an enormous strength of students. The students are taken care of by showing individual attention, making them emerge as a multifaceted personality. Well-equipped and experienced faculty members cater to the needs of the students. Both Language and Literature are focused to hone LSRW skills along with literary analytical skills. The students are privileged to gain practical knowledge in English Language Lab. The students are given opportunity to attend Campus Interviews to enable them to pursue the course with job assurance.

ABOUT CONFERENCE

From time to time our society has witnessed a lot of changes in terms of culture, education, politics and life style. Every contemporary society has its own problems where the life of human beings teems with different kinds of challenging issues. Literature portrays all these nuances of life invariably. Literature is the most remarkable tool which depicts the social issues in various perspectives.

Moreover language plays a vital role in bringing out the realistic life exquisitely. Language skills of the writers add beauty to the content of all literary works of art. Linguistic dexterities make the readers enjoy more and get closer to what they read. And the writers' unique way of administering linguistic expertise is highly commendable.

We hope that this conference will be the best intellectual platform and a golden opportunity to update both social perspectives and linguistic dexterities in English Literature.
