

**CIRCULAR**

02.08.2022

NPTEL (National Programme on Technology Enhanced Learning) supported by IITs and IISc offers 560 new **online certification courses** in various disciplines of Engineering, Humanities, Science and Management Studies. The list of courses is attached.

The students of all the years (both UG & PG) and faculty members can apply for the courses **free of cost**. On successful completion of the course, candidate will receive a certificate issued by IIT. Interested students are requested to enroll their names with **Dr.B.Pavala Kumar**, Assistant Professor, Dept. of Business Administration on or before **05.08.2022**. Further information is available @ <https://swayam.gov.in/NPTEL>.

NPTEL courses certified from this academic year will be considered as Extra credit course under our college Autonomous statute.
