WORLD POPULATION DAY

World Population Day, observed annually on July 11th, reminds us of the crucial global challenges tied to population dynamics and their profound impacts on our society, economy, and environment. The day has exclusively been chosen to spread awareness about the problems arising due to the growing population world over. By dedicating a special day to this concern, our college has planned to conduct a “*Couplet Writing Competition*” for both UG and PG Students.

Theme : **Population Explosion**
Language : **English/Tamil**
Deadline : **17th July 2023**

Rules :

1. A couplet is a unit of poetry containing two lines of verse that form a singular thought or idea. Couplets can be rhymed or un-rhymed.
2. Construct a couplet (a poem of two lines) related to the theme. It must be original and written in A4 size paper.
3. Submit the couplet with your Name, Class and Roll Number to Dr. Y. Vidya, Assistant Professor of English.
